SPEAKER: I declare the bill, LB 180 passed with the emergency clause stricken.

CLERK: Mr. President, we have a motion on the desk. I move to return LB 522 to Select File for specific amendment to add the emergency clause. This bill is on Final Reading. Signed. Senator Kremer.

SPEAKER: The chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman, members of the Legislature, as the Clerk just announced the specific amendment that I will be offering on 522 is to add the emergency clause. Now, 522 provides that fleet vehicles registered under Chapter 60-305 would be exempt from Motor Vehicle inspection in Nebraska. Now the inspection requirements by the Department of Motor Carrier Safety and Department of Transportation are really more stringent than those that are administered by the state of Nebraska.
